SUBMITTAL OF MATERIALS FROM CO-PENDING APPLICATIONS

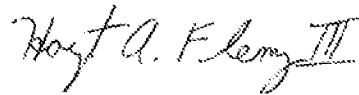

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Recently, the Federal Circuit, in *McKesson Information Solutions, Inc., v. Bridge Medical, Inc.* (2005-1517) affirmed a District Court's determination that a patent was unenforceable due to inequitable conduct. The inequitable conduct was based upon a patent attorney's nondisclosure of office actions from co-pending applications.

In light of *McKesson*, I have attached an office action from a co-pending application of the present application. You may or may not find this office action to be material to the present application.

Respectfully submitted,

Hoyt A. Fleming III
Registration No. 41752

Date: August 23, 2007
